Cindy, I checked the FTP site and I don't see any of these files. I am still getting a error message, so I don't think I can post them. Not sure what could have happened?

Cindy, Stevie and I have tried to post the files but, we keep getting an error message. So, if you can post that would be good. Here are the files that need posting:

I:\ASQAB\_AT Team\dimock rc\NAREL there are 5 SDGs, 2 cover letters, and the EDDs  
I:\ASQAB\_AT Team\dimock rc\Isotech SDG 17629 plus cover letter by Ed (for Fred)  
I:\ASQAB\_AT Team\dimock rc\Reg 6 Region 6 sent their amended Final Report, if you want to post that one also. It is called 12SF073amended.pdf.

If you could answer the reports, that would be great. Let me know if there is anything else. FYI...I will be out tomorrow.

I can upload stuff and reply to the remaining reports around 2 today. If they don't want to wait feel free to send emails that we agree with the changes. I checked with Ed and the data should be R for SVOCs.
